

Drip and Low Volume Irrigation Workshop

Texas AgriLife Extension Service - Harris County Office in partnership with Ewing Irrigation will be offering a Drip and Low Volume Irrigation installation workshop on January 27th at the Harris County Extension Office. The event will begin at 3pm with a one hour lecture on proper design and installation of Netafim subsurface drip products. The remainder of the event will be a hands-on-session where class participants will install the product into landscape beds at the Extension Office.

To register for the event please go to:

<http://www.ewingeducationservices.com>

click on "View Available Courses"

and then click on "Drip and Low Volume Irrigation"

Space is limited to the first 30 registrations.

If you have any question please contact Dr. Anthony Camerino at the Harris County Office of the Texas AgriLife Extension Service. The phone number for the Harris County Extension office is (281) 855-5600. Or you can contact the Ewing Katy Store Manager, Mr. Chris Kurklin at (281) 392-8111.

Educational programs of the Texas AgriLife Extension Service are open to all people without regard to race, color, sex, disability, religion, age, or national origin. Individuals with disabilities requiring auxiliary aids, services or accommodations in order to participate in Extension programs are encouraged to call 281.855.5600 to discuss specific needs.
