2009 Pest Management for Golf  
and Sport Turf Co-Sponsor:

The mission of the Texas AgriLife Extension Service is to provide quality, relevant outreach and continuing educational programs and services to the people of Texas. Extension educates Texans in the areas of agriculture, environmental stewardship, youth and adult life skills, human capital and leadership, and community economic development. The agency improves the lives of Texans through an educational process that uses research-based knowledge focused on issues and needs.
